

## **Parent Code of Conduct**

At Landsdale Primary School, we believe that fostering a positive and supportive environment is essential for the success of our students. The Parent Code of Conduct serves as a vital tool in achieving this goal.

This code outlines the expectations for behaviour and communication among parents, caregivers, and school staff, helping to create a respectful and collaborative community. By adhering to the Parent Code of Conduct, we can work together to provide the best possible educational experience for our children. Thank you for being an integral part of our school community!

At Landsdale Primary School parents, caregivers and community members are expected to:

1. Work in partnership with the school to enhance the learning outcomes and support the well-being and conduct of their child.
2. Support education staff in maintaining a safe, secure and respectful learning environment for all students.
3. Contribute positively to behaviour, academic and other personalised support plans that relate to their child.
4. Act appropriately on school premises and ensure that personal behaviour does not contribute to inappropriate conduct of others.
5. Be aware that threatening behaviour and harassment of staff or students is unacceptable.
6. Respect and comply with reasonable requests.
